

Deranged

 8  0  2

Chapter 1 by Daria

Taylor McKenton is called deranged her whole life. The problem is that she doesn't believe that she is crazy.

She can fall asleep for a long period of time and talk to herself but that's it! She doesn't see ghosts or sees through walls. She is normal. That's what she thinks, at least.

Just because of one single mistake. One mistake in the past and she is the most hated person on Earth.

Is she really deranged or not?
